

MIRACULOUS TRANSFORMATION

through hard work

CUMBERLAND COMMUNITY CHURCH
RON YOST

When a blended family comes together, there are adjustments that must be made

When a blended family comes together, there are adjustments that must be made

Successful blending requires hard work
and God's intervention

When we are adopted by God, there is a clash
involving willpower

When we are adopted by God, there is a clash
involving willpower

Our will fighting against his power

When we are adopted by God, there is a clash
involving willpower

Our will fighting against his power

Just as children war against one another, our flesh
and spirit constantly battle for supremacy

When we are adopted by God, there is a clash
involving willpower

Our will fighting against his power

Just as children war against one another, our flesh
and spirit constantly battle for supremacy

Just as blended families find reason to
resist cooperating, God's family
does likewise

The key to success is found in verse one – know the
Father

The key to success is found in verse one – know the Father

He is not exclusively interested in behavior modification

The key to success is found in verse one – know the Father

He is not exclusively interested in behavior modification

As we get to know, love and trust him,
we become more like him

To know God is hard work which must be attended
to daily
