lives**

Judges 6:11-7:22

New Living Translation

God will not share his glory with man

God will not share his glory with man

God will not share his glory with man

300 men defeating an entire army seems
ludicrous – it defies all odds

*Especially when the men used trumpets, jars
and torches*

Faith is trusting God in spite of the odds

Faith is trusting God in spite of the odds

**Our impossible situations are those in which
God provides true miracles that bring
him glory**
