

Genesis: The Key to the Bible  
(Part 13) Real Consequences for Sin

Sin begins with \_\_\_\_\_, goes on to corruption, and ends in condemnation

(Genesis 6:1-7) Apostasy and \_\_\_\_\_ committed by the descendants of Seth

(v.1-2) “the sons of the \_\_\_\_\_ race” took wives of “the daughters of \_\_\_\_\_.”

“Sons of God” pertains to those individuals who retain the \_\_\_\_\_ and moral character originally communicated and later restored by their creator

“Daughters of men,” refers to daughters born to those of \_\_\_\_\_ lineage who rejected the moral purity and moral character of God

It seems that the descendants of Cain and Seth remained completely \_\_\_\_\_ from each other for a long period of time, but eventually began to intermingle

Promiscuous intermarriage without regard for spiritual \_\_\_\_\_ (Numbers 25:1-3)

Humanity degenerated at a \_\_\_\_\_ pace

(v.3) God mentions that he is tired of “\_\_\_\_\_” with man

120 years? Dual meaning

Time til \_\_\_\_\_ (Gen.7:11)

Chronological \_\_\_\_\_ of people

(v.4) Who are the Nephilim?

3 possibilities - \_\_\_\_\_, demons, or the godly line of \_\_\_\_\_ thru \_\_\_\_\_

Angels can \_\_\_\_\_ in human form, but were not created as a \_\_\_\_\_, have no distinction of \_\_\_\_\_, and no sexual \_\_\_\_\_

they “neither marry nor are given in marriage” (Matthew 22:30).

Demons can \_\_\_\_\_ people, but cannot take on human \_\_\_\_\_ (Matthew 12:43-44)

There is no such \_\_\_\_\_ in the Bible as a half-man / half-angel or half-demon

(v.5) Six days into God’s creation, He looks at all that He has created and sees that it is good. (1:31)

In the days of Noah He looks at all that He created, and He just sees wickedness and \_\_\_\_\_ evil.

(v.6) He is \_\_\_\_\_ in His heart and sorry that He has made man.

Many times, we don’t think that God has \_\_\_\_\_

(v.7) So broken it cannot be \_\_\_\_\_

When Jesus returns, the bible says the world situation will be as was in days of Noah (Matt. 24:37-39)

People were just going about the \_\_\_\_\_ of life and didn’t even know this \_\_\_\_\_ was coming soon
