

Suppressing the Truth and Experiencing Wrath
(Part 3) God Gave Them Up

Society seems to be in the grip of mass derangement

It has abandoned reason, reality, and common sense

Too many “experts” with conflicting information

Reason, logic, and objectivity have been exchanged for subjective and emotional ideology

(Romans 1:18-27) Man spoiled God’s perfect world by sin (Genesis 3-5; Romans 5)

Adam and Eve decided to listen to the lie that God was holding back and cheating them from their potential

(Romans 5:12-14a)

(Romans 1:24) God gave them up to uncleanness – shameful things their hearts desired

Everyone outside God’s salvation is in danger of the wrath of God

It is a hopeless, helpless situation because of wickedness

The whole world is accountable to God whether or not they acknowledge his existence

Reason accounts for everything in the universe

Random evolution cannot account for the mystery of self-consciousness

A sense of self has no explanation in physics or chemistry

Subjective awareness and conceptual thought are supra-physical

Simple matter cannot produce understandings and insights

Living conscious thinking must originate in a higher source or mind of the designer

Science has turned man into God

Science declares that its truth is the only acceptable truth

It is foolish to bow down to idols of our own making (Isaiah 40:18-20; 44:6-20)

In actuality, when we refuse to worship God, we replace God with ourselves

God’s wrath gives us what we choose and we suffer the consequences
